SPONSORSHIP OPPORTUNITIES FOR THE ORGANISATION OF CARIBBEAN UTILITY REGULATORS 20TH ANNUAL CONFERENCE

October 26 - 29

OOCUR
20th ANNUAL
CONFERENCE
Montego Bay • Jamaica
2025

WHY SPONSOR THE OOCUR CONFERENCE?

The OOCUR Conference is a flagship event for the utility services industry and service providers. Each year the Conference attracts participants from across, and outside of the Caribbean region. The conference agenda offers a wide array of new and trending topics concerning the sector. Your sponsorship will increase your visibility among the stakeholders of the utilities sector. The conference gives all participants opportunities to network among key decision makers and professionals across the utility sectors, electricity, water and sewage and telecommunications.

This 20th year of the conference is hosted by the Office of Utilities Regulation of Jamaica from October 26-29, 2025 .

FACTS ABOUT THE ORGANISATION OF CARIBBEAN UTILITY REGULATORS (OOCUR)

OOCUR is a non-profit organization, established by an agreement signed on July 26, 2002 in Ocho Rios, Jamaica. The following Caribbean utility regulators are members of OOCUR:

1. Public Utilities Commission, **Anguilla**
2. Utilities Regulation and Competition Authority, **The Bahamas**
3. Fair Trading Commission, **Barbados**
4. Public Utilities Commission, **Belize**
5. Regulatory Authority of Bermuda, **Bermuda**
6. Telecommunications Regulatory Commission, **British Virgin Islands**
7. Regulatory Authority of Curacao & Department of Utilities and Energy Curacao, **Curacao**
8. Public Utilities Commission, **Guyana**
9. Office of Utilities Regulation, **Jamaica**
10. Energy Authority of Suriname, **Suriname**
11. National Telecommunications, **Kitts and Nevis**
12. National Water and Sewerage Commission, **St. Lucia**
13. Bureau of Telecommunications and Post, **St. Maarten**
14. Regulated Industries Commission, **Trinidad & Tobago**
15. Energy and Utilities Department, **Turks and Caicos Islands**
16. Telecommunications Commission. **Turks and Caicos Islands**
17. Public Services Commission, **US Virgin Islands**, (Associate Member)
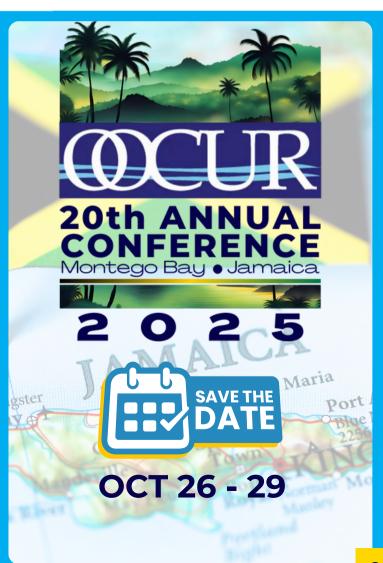

PURPOSE AND OBJECTIVES OF OOCUR

- Enhancing utility regulation to guarantee the safe, reliable, and affordable delivery of essential services, including electricity, water, and telecommunications.

- Strengthening regulatory frameworks by promoting autonomous, independent, and transparent utility regulators across member countries.

- Advancing industry expertise through rigorous research, training, and capacity-building initiatives.

- Driving collaboration and knowledge exchange on critical regulatory issues to foster regional best practices.

MEMBERSHIP

Full Membership of OOCUR is open to regulatory bodies with responsibilities in telecommunications, ICT, electricity, natural gas, water and transportation sectors in the Caribbean. Associate membership of OOCUR is open to non-Caribbean utility regulators and associations of utility regulators.

FUNDING

OOCUR is funded through membership fees, contributions, charges for services, donations and grants.
